Our kids turn into fairy tale characters on Fairy Tale Day at the kindergarten in January

Music Lessons

As part of EldErtrEE ASA, piano and violin private lessons are available. Lessons are available from 14: 00 until 20: 00 hrs. Please contact us for more information.

Teachers reading out fairy tale stories

Importance of Recycling

Teaching children at an early age about the significance of recycling will help produce environmentally aware adults and over time, reduce the amount of trash your family produces. Make it a game or competition between siblings to see who can recycle the most. Reward their efforts without fail.
