### Welcome Back !

#### Principal letter

Welcome to the academic year 2010/2011. The first day of the term is a day we all wait for with anticipation, however this September is very special as it's my first day here at the Ain Khaled Branch. Last year I was the manager of Elder Tree Markhiya Branch. I am ambitious that the Kindergarten will prosper. We have students with amazing potential, a strong leadership team, talented staff and supportive parents.

Please free to contact me anytime if you need any clarification.
