Mothers Day —20th March 2011

Was a great success! The children really enjoyed performing as many mothers and some fathers attended. As well as class performances there were songs also from the French and Arabic lessons accompanied by Mr. Hussam our Music teacher. When the staff see their children happy and having fun with what they have worked hard at learning it makes their choice of becoming a teacher worthwhile. Thank you all for attending and I hope you had a wonderful day on the 21st.

Reminder: Sumer Programme and Registration

All branches are now taking registrations for the summer programme during July and August plus registering for the new academic year in 2011/12., whereby a retainer of 1000QR is required.
