Classroom Activities during June

The children will be finalising the concepts of the curriculum, then doing revision practice of things they have covered over the year. So therefore it is still important that your child attends daily.

Securing your Child's Place for next Academic Year

To retain your child's place for the next Academic Year you will need to speak with Miss Howaida and pay a retainer of 1000 QR. This retainer will be deducted from the first terms fees.

However, if you return later than September without informing the school when paying the retainer or when school begins (September 7th), your place will be released and the 1000QR will be non-refundable.

The End of Year Graduation Party

This was a wonderful day, children came from all three branches, Markhiya, Al Hilal and Ain Khalid. The show was wonderful with performances from Pre 3, Pre 4 and KG.

The children sang and danced with their hearts which captivated everyone, even the staff who had been working so hard with them over the previous month were proud of them.

The children took us on a journey from hunting dragons to rock stars. And the many things that were made to support the performances were incredible and made by the children and staff.

As the manager of Markhiya I felt so proud and emotional to watch the children thoroughly enjoy themselves, and to watch them looking to their parents to make them happy. These children bring so much joy to everyone and with the support from all around them I'm sure they will become wonderful, caring people in years to come.

Summer Programme

There will be a Summer Programme at Markhiya this year starting on Sunday 3rd July through to the end of August.

The programme will include Language, Maths, Art, Cooking and much more. To secure your place come to register with Miss Howaida and bring with you a deposit of 1000 QR which will be deductible from your fees. For more information contact the Kindergarten.
