Forth Coming Event in March Mothers Day on the 20th

The children will be learning a song and preparing cards and gifts for their mothers to present on this special day a letter of invitation will be sent nearer to the day. So please support your child by attending. The children have worked very hard and are very excited by the activities they have done.

Bus Service

Please make sure your child is ready for when the bus arrives. As any lateness will cause delays in collecting

Crazy Hat Day —24th February 2011

The children brought hats in from home and decorated them as they wanted and some were terrific. For those who did not bring a hat to school they made them in classroom and produced some original ideas. After breakfast they had a wonderful time playing games and other activities teachers planned for the day. Before their communal lunch they paraded their hats and a boy and girl from each class were selected as winners and received a certificate and a small prize. The winning children are as follows:

Pre 2 Mateo and Salma

Pre 3a Alya and Elvis

Pre 3b Ali and Tala

Pre 4a Ayesha and Mohammed

Pre 4b Basmala and Omar

KG Dana and Adel

Collection Time for Children

All children should be collected before 2.30pm everyday. Some parents have been arriving upto 45 minutes after the 1.5 hour collection period (1.00-2.30pm). Therefore, as of March the 15th parents will be charged an additional 150 QR per hour, per day for any length of time after 2.30pm.

Is your child getting enough sleep to develop fully?

We are having a number of children arriving to school still sleeping or are very tired. Medically your child should be having between the following number of hours every day.

2—4 years 10-12 hours

5-6 years 8-10 hours

It is scientifically known that sleep deprivation in small children can hinder in the development of the bodies systems and effect learning and behaviour even at this small age. Therefore we request that you build into your child's daily regime enough time for them to get a good nights sleep so they are prepared to undertake the next days activities.
