Teacher Lette

Hello, my name is Ms. Fadja, I am the Camels's class leader, I have been teaching for 14 years in different countries. Teaching in multi-cultural environment can sometimes be challenging but we at Camel class always find the passion by encouraging each child to built their individual personalities.

"Learning through playing is always fun in Camel Class"

Tip of the month

Why Exercise is COOL

Kids exercise all the time without even thinking of it. Just being active, like when you run around outside what else counts are exercise? Playing sports, dancing and even reaching down to touch your toes.

When you exercise, you're helping build a strong body that will be able to move around and do all the stuff you need it to do. Try to be active every day and your body will thank you later!
